Foreword

Will you ever forget your first day of school, your first football game, or your first test? You may not forget everything that happened to you in high school, but you won't remember entirely either. When you shake the dust off this volume ten years from now, you might recall the time your math teacher added three and four and got six, or the time in your chemistry class when you caught your lab coat on fire. Or perhaps the pictures within these pages will refresh your memory of the physical beauty of the school. We hope that this book will always evoke pleasant memories of the school year, 1967-1968.

Wauconda School Board

School Board Dist. 118; Mr. L. Hoerer; Mr. G. Miller Principal; Mr. L. Scott; Mr. H. Smith; Mr. R. Warfield Superintendent; Mr. L. Gamble President; Mr. B. Russell; Mr. T. Reilly; Mr. K. Sorlie.

Wauconda High School has been an educational institution for 50 years. The accomplishments of her graduates have been many and quite rewarding to the community. As we look forward to the next 50 years, I am sure the contributions made by our graduates will be equally rewarding. Let us all rededicate our efforts to the continuing development of our fine school.

Richard Warfield
Superintendent

In reflecting back on this school year, I'm sure you will vividly recall the excitement of your personal accomplishments. I'm sure, also, that your accomplishments have strengthened you as a person and further contributed toward the tradition of success at Wauconda High.

Your future and the future of Wauconda High has been greatly enhanced through your successful accomplishments during this 67-68 school year.

Each new year will hold new challenges for each class as well as the graduates. It is my hope that you continue to accept new challenges and learn to realize and enjoy the 'Joy of Accomplishments.'

Senior Class

The Seniors of the graduating class of 1968 have quite a few memories to look back at. The dances, the games, the activities, the education, all the happiness, fun, sadness, and disappointment that we have shared in the past four years will remain in our minds forever.

Now is the time that we must prepare ourselves to face the world outside our own. Our dreams start to materialize and our horizons begin to broaden. When we finally reach the end, we can take a breath, look back, and say, "Now that wasn't so bad!"

Sophomore Class

During Homecoming, the Sophomore class put forth an effort which helped them to accomplish many goals. For instance, a contest was held to see which class could get the most points for the school spirit award and the Sophomores won. The Sophomores collected the most wood for the bonfire, took second place in the stunt show and had the highest attendance at the football game. Even the class float revealed improved organization. The Sophomore class is a class of spirit.

Annual Staff

I would like to extend a very emphatic thank-you to the people who made this yearbook possible. I want to give a special thanks to our sponsor, Mr. Kirchherr, Lois Grimes, and Roy Haake. The work was rough, the hours long, and the deadlines hard to meet, but the reward is the production of the best yearbook that the Wauconda High School student body has ever had.

Layout Staff: R. Haake, F. Schwan, S. Blomquist, W. Kirchherr, L. Grimes, D. Russell.

Newzine

The Newzine is a monthly publication which is produced by the Journalism class. It has become an established publication circulated throughout the neighboring area. The Newzine is also a member of good standing of the Northern Illinois Student Press Association and has won four individual awards.

Our objective is to inform the students of current news at W.H.S. and promote more interest in school activities, thereby encouraging school spirit. The Newzine also acts as a "sounding board" for personal opinions and criticisms in the Letters column.

F.H.A.

From the age of the old pot-bellied stove to the era of the modern electronic range, the art of homemaking has changed from a task of drudgery to a modern science planned to enrich family living. In the homemaking classes the girls learn that successful meal planning involves organization, timing and budgeting. They also learn that sewing is a practical necessity as well as a creative art for the homemaker of tomorrow. Other areas studied are Child Care and Development, Home Furnishings, Consumer Education, Home Management and Family Living.
